

# Sigtronics Mask Adapter for Scott Con-Space® Link Device

Now available, this adapter allows the Scott face mask / respirator (models AV-2000® and AV-3000™) with the Con-Space Link mask microphone and speaker unit to be used with a Sigtronics intercom system.

Our adapter is designed for the bucket position on an aerial unit. Have the breathing protection of your Scott respirator and full duplex hands-free intercom communication with your Con-Space Link unit.

Powered by the Sigtronics intercom system, our adapter requires no batteries or on/off switch. No modifications are necessary to your Scott / Con-Space unit. Simply connect the adaptor to the Con-Space Link and plug the coiled cable into the intercom.

Warranty: One year parts and labor.

Contact Sigtronics for information on face mask adapters for other brands and models.

Made in the U.S.A.
